

## ***Equality***

1. No-one in Wales will have to cope alone with severe mental illness. Hafal will be there for everyone with severe mental illness and their carers.
2. Hafal will work to eliminate stigma and discrimination towards people with severe mental illness.

## ***Services and Recovery***

1. Everyone with a mental illness will be able to adopt a mental health recovery programme.
2. Everyone will have access to local, high quality, specialist mental health services based on best practice, at the point when they need them.

## ***Empowerment***

1. Everyone with a severe mental illness will have information and choices available to them to make decisions about their recovery and the services they receive.
2. Everyone will have the opportunity to make their lives better.
